5. Information you give us

The information **you** give **us** will be stored on databases and shared with other parties in the insurance industry in order to gather industry statistics and combat fraudulent claims. **We** can access the information even after **your** policy with **us** ends.

- 5.1. **You** acknowledge that the sharing of information for underwriting and claims purposes is in the public interest, as it will enable insurers to underwrite policies and assess risks fairly and reduce the incidence of fraudulent claims with a view to limiting premiums.
- 5.2. **You** hereby waive any right to privacy with regard to any underwriting and claims information (on **your** behalf and on behalf of anyone **you** represent herein), in respect of any insurance policy or claims made or lodged by **you**, or on **your** behalf.

7. Insurable interest

This is **your** policy, and only **you** have rights under this policy. **You** can only claim for items that belong to **you**, or expenses paid by **you**.

- 8.1. The policy is a legal contract between **you** and **us**. This policy document provides **you** with the terms, conditions and exclusions of the insurance cover.
- 8.2. This policy is subject to **your home country's** law.

IMPORTANT INFORMATION

9. Not a medical aid

The intention of cover is to stabilise and repatriate **you**. This policy is not a medical aid, and does not provide cover for treatment in **your home country** after repatriation. For example, if you fall and break your leg while skiing in Italy and it needs further operations and physiotherapy once you have returned to **your home country**, this policy does not cover any of the costs incurred in **your home country**.

10. More than one policy underwritten by us

We shall never pay more than the **limit** of whichever policy has the highest **limit** of cover. Example, if one section in terms of this policy covers **baggage** up to 5,000 and the second policy with us covers baggage up to 7,000 the maximum **we** will pay is 7,000.

11. Policy documents

- 11.1. The policy wording explains the benefits, conditions, exclusions and claims requirements.
- 11.2. The policy schedule (which forms part of the policy contract) shows **your** personal details, how much **you** paid, the **excess** amount, the benefits **you** chose, and the sum insured. Each product contains different levels of cover. **You** must check **your** schedule to see if a benefit applies to **you**.
- 11.3. **You** must read the policy wording, the schedule and any endorsement as one document. All the headings that **you** see are merely to help **you** find information quickly. **You** must not take them to affect the interpretation of the policy. **You** must read all the sections in **your** policy document and ensure that **you** understand **your** cover and responsibilities. **You** must contact **us** if **you** have any questions.
- 11.4. Should there be any conflict between the contents of the policy wording and the contents of the schedule, **we** will give the schedule precedence.

12. Third party claims

We may finalise the claim by paying **you** up to the **limit**, or an amount for which the third party claim may be settled. This will release **us** from any further liability for the claim.
